EXPERIENCE

Graphic Designer, Enventys, Charlotte, NC

2010 - Present

Create and develop various branded collateral for clients including but not limited to logos, product packaging and advertising materials. Design and layout *Inventors Digest*, a 48 page magazine that is published monthly.

Product Development Specialist, Herff Jones Yearbooks, Charlotte, NC

2006-2010

Acted as a senior designer, project manager, and art director for various projects. Duties included designing, illustrating, and producing projects for multiple forms of print material and interactive media such as books, magazines, brochures, fliers, posters, product packaging, tradeshow displays as well as other marketing collateral. I also took on the role as staff photographer for the Marketing department and shot over 90% of all photographic material used in marketing communications.

Product Designer, Herff Jones Yearbooks, Charlotte, NC

2005-2006

Designed graphical elements and layouts for print, web, and other digital media.

Design Intern, American Broadcasting Company (ABC), New York, NY

July 2005-August 2005

Was placed in charge of generating full identity of news show to replace ABC World News This Morning. Designed logotypes, on-screen graphics for lower third and over the shoulder, as well as designing the title animation sequence. Other duties included physical printing, cutting, laminating and mounting of materials.

Print Production Assistant, ASU office of International Programs, Boone, NC

2002-2003

Created posters, pamphlets, and fliers for distribution. Helped with student interests in studying abroad.

Bicycle Mechanic and Salesperson, Magic Cycles, Boone, NC

2004-2005

Built, Maintained, and customized bicycles for customers. Duties included building wheels, servicing suspension forks, installing components, and overall bicycle maintenance.

Bicycle Mechanic, The Bicycle Chain (formerly Durham Cycle Center), Durham, NC

2001-2004

Built, Maintained, and customized bicycles for customers. Duties included building wheels, servicing suspension forks, installing components, and overall bicycle maintenance.
